

CREATE MORE OPEN SPACE WITH  
SUSTAINABLE DOOR SOLUTIONS

**Kömmerling PremiDoor 76**

# WELCOME THE SUN INTO YOUR HOME.

Bright living spaces flooded with light – a dream within reach at any time: With our Kömmerling PremiDoor 76 lift/sliding door system. Recharge your batteries with a view into nature, or enjoy the expanse of the urban skyline. Anything is possible. Kömmerling PremiDoor 76 creates generous glazed areas that integrate the outside into your four walls. Good to know: The system is barrier-free, impresses with maximum handling ease and ensures high thermal insulation. In addition, the profiles are recyclable and made of eco friendly uPVC. The result is sustainable door solutions, perfect for new buildings and renovations.

## AT A GLANCE

- Barrier-free thresholds
- Tall installed heights and glazed areas
- High levels of natural light transmission
- User-friendly operation when opening and closing
- Sustainable, recyclable system solution made of eco friendly, lead-free uPVC profiles
