COLOURS OF THE OUTBACK

Wood Grained, Embossed & Smooth Finish Colours

AUSTRALIAN LAMINATED COLOURS

Rigorously tested for durability, resistance to UV, peeling and cracking, all the laminate finishes offered as part of the Australian range of coloured laminated profiles are ideally suited to offer a high quality, contemporary and timeless appearance.

With plain colours and wood grains offered in smooth or embossed surface finishes across a wide variety of colours and realistic timber contours, there is both a look and feel for every application and every taste.

With a wide range of options available, you can select wood grain finished or opt for sleek plain colours on the outside while enjoying a classic white interior. You can even mix and match different colours on both sides to perfectly suit your style and preferences. The possibilities are endless, allowing you to personalise your space exactly how you envision it.

ESSENTIAL HOME SHADES

Easy to use, easy to choose, this versatile range is the essential choice for your next project.
